

Learning languages through creative theatre projects

**The theatre workshops
in language classes**

- 1** Format • Duration
- 2** Discovery Day • Prices and financing options

The theatre workshops in language classes

Expressive theatre and group games · Language support · Artistic creation, oral and written

Combine a **FORMAT**, a **TIME OF IMPLEMENTATION**, a **GENRE** and a **THEME** for your project.

We will then create an intervention that meets your expectations.

Target group: From primary school to university, from level A1

Your theatre project

1. Format A group on one or more days several days **or** Several groups on one or more days

2. Duration

TAG 1

TAG 5

From a workshop in connection with the language course program "Dare to speak the target language!"

...to a week of creation, for a performance in a foreign language!

 = 1 double lesson: 90 min

1 Tag  theatrical photos
(Project Day)  theatrical reading of a text

2 Take  Performance in front of a familiar audience
+ Staging of a text

3 Take  Performance in front of an audience
(other class)  + Staging a sketch

4 Roofs  semi-public presentation (school/
parents)  + creative writing

5 Take    + Play

Discovery Day

Do you need to get to know THEALINGUA before you get started?

In the same format as a project day, the Discovery Day consists of three double lessons for three groups and allows your school to take a first step towards learning foreign languages through theater.

Tag 1

Group 1

Group 2

Group 3

Fees and financing options

350€ per day*

*For a group of 15 students.

*The price may vary depending on the location where the project is carried out, transport and accommodation costs may be added.
